ICF-CS15IPSILN

Enjoy rich, clear sound

Experience rich, clear sound. Full-range speakers in concert with MEGA BASS®, bass-enhancement circuitry, deliver a robust and enjoyable listening experience,

Dock forApple® devices with Lightning™ connector[1]

Dock, listen and charge your Lightning™ connector compatible iPod® and iPhone® via the durable and easy to use Flexi-dock. Compatible with the iPhone® 5, it also accommodates many cases so you can plug and play.[1]

Enjoy AM/FM radio programming

A built-in digital AM/FM tuner with 30 station presets lets you choose from a wide variety of radio, talk and music programming.

Music your way

Gently fall asleep or wake up to your iPod®, iPhone®, buzzer, or radio.[1]

Alarm Flexibility

Dual alarms can be activated independently of one another, and can also be set as a 2-5-7 day alarm to differentiate weekend and weekday settings.

LCD Brightness Control

Easily adjust LCD brightness to one of four settings to suit your preference.

Easy, Automatic Time Set

Setting-up the ICF-CS15IPN is a breeze, simply requiring that you select your appropriate time zone. Even better, the built-in calendar even recognizes the date, automatically adjusting for Daylight Savings or Standard Time.

No Power, No Problem

A backup battery keeps the clock and alarm functional, even during a power interruption.

Control your tunes with remote control

Control your iPod® or iPhone®[1] from across the room with the included full-function wireless remote control.

Plays well with others

An auxiliary audio input lets you connect digital music players to the speaker dock for easy access to your music (cable not included).

Free Sony® D-Sappli™ App available

A free Sony® App (D-Sappli™), available at iTunes®, enables expanded speaker functionality when using an Apple® device with the following features: an enlarged clock display, a music play timer, and a sleep timer.[2]
